

Now in Three Locations to Make You Smile

Complete Dental Services

All three of our offices feature CEREC® 3D computers with in-house milling machines to provide single-visit, permanent restorations for our patients.

We offer a full range of dental services for you, provided by our experienced and highly trained dental professionals and courteous staff.

Cosmetic Dentistry

- Whitening procedures
- Bondings and veneers
- Full porcelain crowns
- Laser gum recontouring
- Invisalign®, the clear way to straighten teeth

General Dentistry

- Cleanings and soft-tissue management
- Digital X-rays and diagnostics
- Fluoride treatments
- Fillings and extractions
- Periodontal treatments and surgery
- Bondings and veneers
- Fixed prosthetics
- Endodontics
- Implants

Our offices feature low-radiation digital X-rays, 3D photo technology, innovative point-of-view cameras (with 5X magnification), and both soft-tissue and hard-tissue laser treatments.

And we offer a range of conscious-sedation options.

Easy financing is available, and most insurance plans are accepted at all three Dental Arts Center offices.

Senior discounts are offered. Call today to schedule a free consultation.
